Dear Parents:

The grade four students are encouraged to purchase a thesaurus and dictionary for school use. The thesaurus and dictionary will be resources used for creative and expository writing during the rest of the school year. Their usage will also be allowed during their FSA writing tests. It is suggested that the thesaurus and dictionary (pocket-sized) be student friendly, especially listing entries in alphabetical order. Some publishers may include Webster, Roget, and Random House.

In addition, students are asked to purchase a wallet, and small packages of "stickies" used for daily spelling.

Thanks for your support.

Sincerely,

Brad Robins
