International Student Fee Refund Policy

**BEFORE YOU SUBMIT THIS APPLICATION FORM,
PLEASE CAREFULLY READ THE FOLLOWING:**

The following policy applies when a student withdraws after fees are paid.

1. All tuition and other fees are non-refundable.
2. If Immigration Canada does not approve the study permit for an international student, a full refund will be issued. The refund will be granted upon written proof of such refusal, provided that the applicant has met all the application requirements requested by Immigration Canada.
3. No refund of paid tuition fees will be granted if the student at any time is found in violation of school regulations and asked to withdraw from the school.
4. If an international student becomes a landed immigrant during the course of study, a different set of fees will apply for the following school year. All students who qualify must reapply and meet the requirements of a Canadian student for the following school year.

By signing this agreement, I understand and agree to pay all fees. I understand there is no refund of fees paid.
